

## Your tax-deductible gift can be the promise for a student's bright future!

The Rochester Community Schools Foundation is committed to supporting and advancing learning for all students by obtaining contributions for academics, arts, and athletics. Your tax-deductible contribution can ensure the RCS Foundation continues its mission to enhance the educational experience for all Rochester-area students throughout the district.

The RCS Foundation was established in 1995. Since its inception, we have raised more than \$10 million in contributions from individuals, organizations, businesses and other foundations. Twice a year, the RCS Foundation approves grant distributions to support the work of Rochester Community School District teachers and staff. Our scholarship program also supports the advanced learning of our students through continuing education.
