Goal of the Project: Provide a Thank you dinner for our RCS families who are hosting our high school exchange students.

Achievements: 80% of our families were able to join us in the Harrison Room for dinner. Students and families shared highlights of some of the activities they have experienced through this program through PowerPoint. The students also provided advice for future exchange students.

Conclusion: Providing an opportunity to thank our families for welcoming a student into their home for the school year exhibits our Beliefs in Action.
