

# You Can Leave a Lasting Memory with “The Best Seat in the House”

This is your opportunity to permanently place a name on a seat in one of the Rochester Community Schools high school auditoriums. Designate your student’s name and year of graduation, the name of a favorite teacher, or the name of a person you wish to honor, to be placed on an engraved plate on one of the seats in our three auditoriums.

All gifts to the Best Seat in the House fund will be invested in a permanent endowment. Proceeds will be used to support the mission of the Rochester Community Schools Foundation.
