LINK CREW SURVEY RESULTS 2022

Explain one thing you enjoyed about Link Crew this year:

- Meeting new people
- I liked how friendly my link leaders were
- The link leaders were really honest about classes/ academics which was helpful
- It was entertaining playing games and getting info on what can help in the future in high school.
- The people, all the people were very nice
- Getting my link leaders advice.
- I enjoyed to meet new people and get to talk to my link crew leaders
- I enjoyed the meet ups and getting to know my link crew leaders
- I just made friends with people I never expected too, my link leaders introduced me to their friends when I was sitting alone at lunch and over all they became almost a best friend and are now friends outside of link crew, we forget they are our link crew leaders because of how close we got
- I enjoyed being able to let go a little at the link crew meetings.
- Having someone to give me advice
- I think link crew helped to ease me into high school better
- Getting to get closer with the people in my group
- Being able to get to know some upper class men
- Making new friends and finding a way to improve on my learning
- Ethan being my leader was very helpful and we could relate
- I enjoyed getting a break from my class sometimes to go down to the gym for link meetings.
- Some activities were fun, and my link crew leaders were very nice
- I liked how it let us take time away from class to get rid of stress
- I meet kids in my grade that i could recognize in my classes.
- I enjoyed having somebody who could be asked if you had a question.
- I enjoyed meeting older kids that were very helpful, both Megan and Aidan were very helpful people, but I was able to talk with Megan more not just in school but outside of school. I liked both of them, fun people, and they were very helpful in experiences.
- Making friends with upperclassmen so I know where to go in case I need help.
- They were a fun way to get to know people while still making it enjoyable and get away from class once in a while.
- I really enjoyed how caring my web leaders are, and how they always try their best. (The candy and fun activities are a bonus.)
- I enjoyed having leaders that are seniors and have already gone through what we're going through. I also appreciated the advice they shared with us.
- The inclusivity of the Link Crew leaders made sure everybody participated and felt comfortable. They would also bring stuff in for us such as food which was really nice of them.
- i liked the cookie decorating and the trunk or treat and i liked how they brought us treats and i liked going to the meets
- Ben and Riley were amazing, and the highlight of my Link Crew experience.
- I loved getting to know my link crew leaders. they are both really kind people and I'll be sad not to see them as much next year.
- getting to know the people in my group, and having a mental break from school once a month
- How we all bonded during the activities
- I liked talking to my group during meet ups
- i liked feeling like i had people that i could ask questions about the school
- I enjoyed getting to meet new people before school started so I could have some familiar faces on my first day
- They helped me get ready for school here
- it was nice knowing some information and people before starting at stoney
- I liked talking to my link leaders and becoming friends with all the people in my group.
- Gaining some friends
- making new friends and getting to know what classes are good to take
- Really, I just loved being able to hang out with my link leaders, because they are really nice and fun. That's what I look forward to the most when I do it
- How close me and my group were
- I enjoyed how welcomed and nice everybody was to me and I really liked doing the activity where we matched a word with a letter.
